2013 MTA JUDGES

We have invited five very accomplished judges to be with us this year. Each has won honors and judged at every level of competition. Competitors will have a great opportunity to get “one-on-one” information from an expert in each category.

Our judges for the 2013 MTA Competition & Convention are:

- **Bryan Eppley** (Whitetails) - Most of you have likely heard of Bryan Eppley, 15 time world champion sculptor (This includes a win at the 2013 WTC in the pre-sculpted division), as well as a former owner of Buckeye Mannikins. Now with his son Rudy Eppley, Bryan is operating Ohio Taxidermy Supply and continues to sculpt some of the industry's most accurate whitetail mannikins. His knowledge of whitetail anatomy is immense, and we are very fortunate to have him join us this year.
- **Todd Kranau** (Gameheads/Mammals) - Todd Kranau has been a taxidermist since 1991, and in that time he has become one of the true talents in the industry. Todd is known for his outstanding gamehead work, as well as his creative lifesize scenes. Having won 10 Best of Show awards, 5 Wasco awards, North American Gamehead Champion and World Champion Gamehead in 2001 Todd has established himself as a real threat to win anytime he chooses to compete. In addition to being a strong competitor, Todd is an extremely experienced judge. In 2002 Todd began his judging career, and since has judged many shows including IL, OK (2), WY (3), CO, NM, CA, NY, KS (2), the Western Regionals, and the 2005 National Show. We are excited to add MO to that list this year.
- **Dan (Fish) & Carmen Helmer** (Birds) – In 1985 Dan and Carmen began their career in taxidermy and since then have created award winning masterpieces in waterfowl, game head, and fish categories. Today they are ranked among the top taxidermist from around the world and compete at the state, national, and world level taxidermy shows, winning countless blue ribbons in the Master category. They have been awarded numerous Best of Show awards and a total of twelve Wasco awards; Dan with four and Carmen with eight. Welcome to you both!
- **Randy Pike** (Amateur Division) - Randy is one of our Missouri Taxidermist Association's founding fathers. He has 33 years of experience in taxidermy. He is an expert in all areas of taxidermy. He has won World Champion Master's Div. Fish, 2nd in World with a short hair whitetail, and many other major awards at all levels. Randy has judged at all levels of competition and is well known for his talent as a judge and teacher.

All five (5) of these judges come highly recommended, from competitors who have met them and had pieces judged by them and been privileged enough to set in on their seminars. We are truly blessed to have all five with us as our judges this year. **Welcome to you all!**

EXCITING SEMINARS INCLUDING 3 HANDS ON!!!

Carmen Helmer - Hands-On Bird Mounting

Participants will bring a prepped bird and supplies, and Carmen will go through the steps of mounting that bird together with them. Due to limited time, we are forced to limit this seminar to 6 people. The hands on portion was filled after the last newsletter, but those unable to participate are encouraged to attend and observe. Length 4 hrs.

Todd Kranau - Competition Techniques and Business Basics

In addition to judging this year's mammals and gameheads, Todd will be going over some competition techniques for the serious competitor. There are things that must be done to take competition pieces to the next level, and Todd will go over a few of those in detail. Even though some of the discussion may be geared toward advanced taxidermists, everyone can benefit from the knowledge Todd will share on the business side of the industry. Todd had this to share about his seminar: "My objective is to make this trade more recognized as a form of art. ...Associations are a great tool to promote the artistry found in taxidermy and through my seminar I hope people will come and learn." Length 2 hrs.

Kail Shumaker - Hands on Painting Duck Bills and Feet

Kail is the owner of BackWoods Taxidermy, a wholesale bird taxidermy service with waterfowl as the specialty. He is acknowledged as one of the finest bird specialists in the country. His techniques are tested and proven to be fast, efficient, highly accurate and dynamically artistic. In keeping with this year's Hands-On theme, Kail will be instructing and leading a hands-on painting seminar. This ties in perfectly with Carmen's mounting seminar, because participants can bring their injected feet and artificial heads and finish them at the show prior to mounting them with Carmen. Length 2 hrs.

Dan Helmer - Hands On Finishing and Eye Setting

Dan is an extremely talented fish taxidermist and judge. I would encourage anyone that does fish to bring a dried fish ready for finish work along with some eyes and sculpting epoxy, and do it at the show with Dan. You will likely learn more by doing it yourself once, than watching someone else do it a dozen times. Length 2 hrs.

H.A. Nixon - Stories, Jokes, and Other Things H.A. Knows

H.A. is one of our founding fathers. If you know H.A. there is really no explanation needed, but for those of you that don't know him I strongly encourage you to attend this session. H.A. has done it all, from hunting, trapping, taxidermy and everything in between. His stories are always a pleasure and that is what this seminar is all about. H.A. plans on just hanging out and visiting with anyone and everyone that chooses to attend. Guaranteed to be a fantastic time. Length - However long H.A. is willing to talk!

Devin Amelunke - Mounting an open mouth small mammal

Devin is one of the most talented taxidermists in our association. He has won Best All Around at MTA shows more than any other competitor, and it's not even close. Devin has won countless other awards over the years as well, including the coveted Breakthrough award. Not only is he a great taxidermist, he is also a taxidermy judge, and an excellent taxidermy instructor. Devin puts on one heck of a seminar, so I would suggest not missing out on an opportunity to learn from one of the best. Length 2 hrs.

Bryan Eppley - Whitetail Seminar

Bryan will be giving a seminar on Whitetail taxidermy, covering common skin alignment issues. Length 2 hrs.

AWARDS BANQUET

The Awards Banquet will be held Saturday, August 3rd, beginning at 7:00 p.m. This year's meal includes Smokey BBQ Beef Brisket, Rosemary Pork Loin, Baked Potato, Green Beans, Corn, Green Salad, & Cole Slaw, along with assorted desserts. It is very important for the host hotel to know exactly how many will be eating (as well as for seating purposes) so you **MUST** order your banquet tickets on your registration form. No additional tickets will be sold after July 15th; and there will be NO REFUNDS!!

Following the meal, we will present the major awards for the evening. These include, but are not limited to:
